RE: Further Suggestions for Packing and Paying

Packing Suggestions

It's a big job to label everything you pack for camp. But every year many unidentified belongings are left here, and many other items make their way into the duffle bags and homes of other campers. If they had your name on them, they could be returned to you. In other words, LABEL ONLY THE THINGS YOU WANT TO KEEP!

Payment Instructions

When preparing payments, please

- 1) Write a check to U.P. Bible Camp for the camp fee.
- 2) Write a separate check to U.P. Bible Camp for spending money.

Approximate costs for camp merchandise are as follows:

- T-shirts, \$12; Hats, \$10; Sweatshirts, \$28
- Pine Post gift items: 25 cents to \$50
- Snacks, ice cream, and soda are also available at the Trading Post

Bus Transportation

For campers who will be riding the bus:

- 3) Campers should bring cash for travel meals in an envelope with their name on it (one fast-food meal each way).
- 4) Send cash for gas sharing and give it to the bus driver.

The Camp Bank

Spending money and money for food on the return bus trip will be kept at the bank during the week; any spending money left at the end of the week will be returned before departure on Saturday morning along with money for travel meals.
